Re: ISF World School Championships 2021 – Postponed / Cancelled

Dear Friends,
Dear Colleagues,

Following the communication with the LOC's of the ISF World School Championships planned for the beginning of the season 2021 based on the current stage of development of the Coronavirus and regarding the measures to fight Covid 19 pandemic, the following has been decided:

EVENT	DECISION
ISF WSC Beach Volleyball, 4 to 5 May 2021, Israel	Postponed to the year 2023
ISF WSC Volleyball 22 to 30 May 2021 in Brazil	Postponed to 10 to 18 December 2021
ISF Futsal 31 May to 7 June in France	Cancelled

We are currently cooperating with the School Sport Entity of Israel to propose new dates for the Beach Volleyball. Regarding the Volleyball our Brazilian member is proposing the above-mentioned dates on the month of December. As far as the Futsal championship in Lyon is concerned, we kindly ask you to contact the LOC for the deposit you paid to the French School Sport Federation (UNSS) and to finalise the administrative steps to close any open issue.

We would like to remind you that the members of the General Assembly meeting on the 3rd of March 2020 in Belgrade, Serbia, decided to follow the proposal presented by the Local Organising Committees of the ISF events when it comes to the Coronavirus situation.

We would like to thank you for having shown interest in this event. We are sorry for the inconvenience that has occurred and remain at your disposal for any support you might need in facing this situation. The health of the ISF family members and participants is our priority and we will continue working closely with all our local organising committees to evaluate each local situation.

We thank you for your understanding and cooperation in this matter.

Yours respectfully,
